: WITHDRAWAL OF ABANDONMENT

This is in response to the petition under 37 CFR 1.181, filed August 20, 2002, requesting withdrawal of the holding of abandonment of the above identified application.

A review of the file history shows that the examiner mailed a Final Office action to applicants' previous attorney of record on December 4, 2001, setting a three month shortened statutory period for reply. On September 10, 2002, the examiner mailed a Notice of Abandonment to applicants indicating no reply had been received. Applicants actually filed this petition prior to the date of mailing of the Notice of Abandonment in view of a telephone interview with the examiner in July. Applicants' previous attorney states that the Office action was not received, however fails to provide the evidence required by M.P.E.P. 711.03(c) - copies of docket records where the missing Office action would have been entered, if received. In view of the missing evidence the petition cannot be granted.

Applicants' petition is **DISMISSED**. Any renewed petition supplying the missing evidence must be filed within TWO MONTHS of the mailing date of this decision in order to be considered timely.
